On May 1, 2024, the Court continued this Settlement program's Claim Submission Deadline (previously March 27, 2024) until the date on which the Court issues a final order resolving the disputes raised in Plaintiffs’ Motion to Enforce the Settlement Agreement. Plaintiffs’ Motion alleges problems with the administration of the Settlement program. The Court has ordered the appointment of a forensic examiner to audit the City's and its contractors’ administrative expense records and all records pertaining to processing and reimbursement delays. The Court has also ordered a Special Master to oversee the audit process and, after completion of the audit, assist the parties to reach agreement on appropriate remedies or recommend remedial action to the Court.
